

PRIVACY POLICY K/T GEOSERVICES, INC.

October 12, 2023

K/T GeoServices, Inc. collects and processes information about you through our website and social media sites. K/T GeoServices, Inc. also collects information you provide when filling out a form or through communications with us via email and telephone.

K/T GeoServices, Inc. may collect one or more of the following types of information:

Personal details (such as title, full name)

Contact details (such as address, email, phone number)

Professional and employment details

Public information from public sources and social media posts

Contact preferences

IP address, location data, and/or browser information

We collect and use your information as follows:

Responding to inquiries

Communicating with you about changes to our policies

Sending you mailings and information

Improving your experience on our website

Research and development

Performing marketing analyses of users of the website and their usage patterns

K/T GeoServices, Inc. uses measures to help ensure and demonstrate that your personal information is safe from loss, misuse, and unauthorized access, disclosure, alteration or destruction.

We do not knowingly collect or solicit personal information from anyone under the age of 18 or knowingly allow such persons to provide us with their personal information without parent or guardian consent.

K/T GeoServices, Inc. does not sell your data to third parties or give it to third parties without your consent.

Any individual who makes a request is entitled to be told whether any personal data is being stored and receive a description of the personal data, the reasons it is being stored, and whether it will be given to any other organizations or people. Requests should be made to us in writing via info@ktgeo.com

K/T GeoServices, Inc. uses cookies in a limited fashion without collecting personal information.

K/T GeoServices, Inc. uses Google Analytics to obtain basic information about visitors to our website. You can read Google's privacy policy here for further information on how they store data: <http://www.google.com/privacy.html>

If you have any questions please contact us by emailing info@ktgeo.com
